THE PROFESSOR FOAMS OVER

With One of His Usual Misleading Statements.

Mr. Ebron--Allow me to say that the year and a half we have spent on the question of changing the old smoke flue into a ventilating chimney and that Mitchell voted "yes" with all the other members.

Let every man and woman in the district, wishing a new school addition and cheaper school books, who pays taxes or has a child five years old and under 20 years old, come out next Monday night and choose three men who will pledge themselves to do these things at once.

A Faithful Equine was Old "Nig." Most everyone for miles around is familiar with the handsome black team of Johnston's heavy bira, known as "Nig" and "Nell."

Two Royal Oak Young Ladies Injured Sunday Night. We are sorry to hear of the accident which befell the esteemed Starr family recently.

Timely Hints for September. Take up house plants. Attend the county and state fairs.

Selection from Clizbe's Article in This Issue. "It is too bad that everything done for health and comfort of the children should give Mitchell a new paroxysm of pain."

AT THE THEATERS.

LYCEUM. In organizing his big minstrel Jubilee for this season, W. H. West, "The King of Minstrel Organizers," was determined to secure variety as well as originality and novelty in his performance.

WHAT AM I OFFERED?

For my property on Saginaw and Daiges streets? Reason for selling--Birmingham has lost its charms for me. I would much rather live in the country free, where elevated electric roads and village boards were never dreamed of.

EXPOSITION AND INDUSTRIAL FAIR AT TORONTO AUG. 28-SEPT. 9, 1899

For this, the greatest of all Fairs, the Grand Trunk Railway System will make the shortest low fares from all points on the system in Michigan...

OBITUARY.

On Sunday morning, Aug. 20th, Mrs. George German, of Franklin, passed from life to death surrounded by a grief-stricken family.

Last winter Mrs. German suffered a light stroke of apoplexy from which she never fully recovered, although she was in usual health until two weeks previous to her death.

Dieud in the Wool.

Vincent Ganong is the correct name of the desperado who created such a sensation at the Wilcox home near Royal Oak recently, instead of Temple, as given by the man himself, when arrested.

Birmingham Produces Spanish Currency.

While clearing away the debris at the old site last Monday, Elias Schlaack unearthed six silver Spanish dollars, each supposed to be equivalent to one dollar in our money and three or four dollars apiece in Spanish hoards.

Is Mighty and Will Prevail.

Elsewhere will be found in this great month engine a misstatement of facts regarding W. D. Clizbe's grant and only the explanation of Mitchell's voting "yes" as Clizbe puts it, that the long man lies, because Mitchell was not present when the resolution was passed that makes the chimney now suffer and the taxpayers' cash of \$300 over "go up the new flue."

SUITS FOR MEN AT \$10.00

Good solid suits that you'd be asked to pay from \$12 to \$15 for at any other store. They're satisfiers from the word "go" -- not only because of the lowness of price, but because they're great wearers.

To THE TAXPAYERS OF SCHOOL DIST. NO. 1, FRANKLIN.

REMARKABLE RECOVERY.
