Harold, the 7-year-old son of Dr. J. P. Taylor, of Mt. Pleasant, was found dead on the night of the 21st inst. The child had been playing with a bullet just above the heart. It is supposed that he was shot by some small boys and when they saw what they had done they fled to their homes. The boy had come down to the store with his father in the afternoon and was playing with the bullet. When he did not appear at dinner a search was made with the above result. The corpse of the child was found near the high water line. Dr. Taylor says he has confessed that he accidentally killed Harold, that he was playing with the bullet when he was a child and that he had been playing with the bullet when he was a child.
