WARNING!

The Fine Reputation of Shafer's Optical Department is Being Used by Fake "Opticians" to Sell Their Wares.

Several itinerant spectacle peddlers are working this and adjoining counties claiming to be representing C. A. Shafer's Optical Department, Detroit. We warn our readers against dealing with these impostors.

Many persons have visited Shafer's Optical Department where they fit and sell glasses. Many of these persons have been successful in their business because they have successfully treated thousands of cases of imperfect eyesight resulting either from structural defects or other causes.
