WESTMINSTER CREED STANDS

With Its Doctrine of Predestination One Vote to Spare.

MODERATOR SAVED THE DAY

For Anti-Predestinationists by Voting With Them. President Sir Roger Army is Found with Other Members of a Week's Activity.

Westminster Creed Was by No Means a simple matter. It was a question of the faith of the nation. The doctrine of predestination is one of the most important doctrines of the Christian religion. It is the belief that God has chosen certain people to be saved and others to be damned. This doctrine has been a source of controversy for many years.

THE WESTMINSTER CREED

The Westminster Creed was a statement of faith that was adopted by the Westminster Assembly in 1646. It is one of the most important documents of the Reformation. It contains a statement of the Christian faith and the doctrine of predestination.
