hand hardly gone when she turned to be housekeeper. "Phebe, what has that woman been "Theo what has that woman been "Now, Miss Gladys, it will only work you to talk about unpleasant ings."

Now are rude, sir, "she said, more "You are rude, sir," she said, more

ry you to talk about unpleasant the whole are things."

"It will fret me more not to know sadly than it han to know."

"Well, the fruth is, Mrs. Harvey has made a complete uspet downstairs. She farmed a complete uspet downstairs. She saverants, emigade and control of the saverants, emigade and the small wages in their places, and for unner and partor mind she hirst war of her satters."

"It will be the saverant of the saverants of the saverants

CHAPTER V. goes on over him is but stikening as first meeting, between mother. And the girls, too, make an awful case on was an aighteelioniste one. Her is Brother Harrey hers and Brother is lased the fault little woman, and Harrey there from morn till night to have carried words of greeting. They treat him as the head of the he as dood to her ecclining chair and family, and her.

the warned, said Glidys.
If you leave me to deal you may regred it. I ask now the third warrend the th
