FASHION IN SHOEDS.

Many Women Here Liking by Catering to Corsets' Styles.

So much time and thought are bestowed on the question of how and with what shall we clothe the living that the impression of fashions for the dead never comes into our heads, says the New York Herald. Yet there are many women earning their daily bread in New York by catering to the fashions for those who have passed into the bourne where it is commonly supposed there are no dressmakers and no milliners. All the corset companies down in the city of the living are women who make the shoes for the dead. They are the women who make the shoes for the dead. They are the women who make the shoes for the dead. They are the women who make the shoes for the dead.
