## The Light of the World

Our Saviour in Art.

Cost nearly \$100,000 to produce. Contains nearly 100 full-page engravings of the world's greatest painters. True copies of the greatest Masterpieces in the art gallery of Europe. Every picture is as beautiful as a sunrise over the hills. Contains description of the paintings, biographies of the painters, the names and locations of the galleries in Europe where the originals may be seen. Also contains a Child's Department, including a Child's Story of the Bible, and His Mother, beautifully illustrated with each picture. This wonderful book is available in its entirety and leaves, appeals to every mother's heart, and in every Christian home where there are children the book is a blessing. Christian men and women are making a noble and noble taking order. A Christian woman can in this community soon be \$1,000 taking order for Christmas presents. Mrs. W. H. Hays, 527

## Be sure you're right, then go ahead

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive you have a bilious look, if your stomach be disordered you have a dyspeptic look, if your kidneys be affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitter" is a good Alternative and Tonic. Acts directly on the stomach, liver and kidneys. Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Whitehead & Mitchell's Drug Store for 50 cents a bottle.

## RULES FOR COW STABLES.

1. Thoroughly clean the stable every day, and sprinkle the gutters and all wet spots on the floor with lime plaster (gypsum) or road dust.
2. Give each cow a liberal supply of dry bedding at all times.
3. Use the card and brush daily on the cow's body. Such attention is as important for the cow as for the horse.
4. Feed water and milk with regularity, always at the same hours and in the same order.
5. Do not be re-commencing to milk, brush the udder and flanks carefully, and wash 'n' teats if necessary.
6. Never mix wet hands, but use a few drops of clean sweet oil if teats are dry and rough. (c) Draw the milk as rapidly as possible, but always gently. (d) Get all the milk each time and then stop. Do not "strip" with thumb and finger.
7. Weigh each mess of milk accurately and record it.
8. Keeping the proprietor or superintendent fully and promptly advised of everything particularly if any cow refuses her feed or fails to give her accustomed flow of milk, or otherwise departs from her usual routine.
9. Loud or angry words cannot be tolerated and blows are strictly for the stern, or when it is so cold that a man out with them would be uncomprehending.
10. The C. H. & D. is the most direct line with.
11. Never leave cows out of doors in a storm, or when it is so cold that a man out with them would be uncomprehending.
12. Keep these commandments not only to the letter, but in their spirit also.
