"IT PAYS TO WEAR GOING'S SHOES."

IT ATTRACTS YOUR ATTENTION.

We repeat that a person's attention is always attracted by a pair of well dressed feet. Now, it is not always the price that you pay for your shoes that makes the difference between a well dressed foot and one that appears shabbily dressed. On the contrary it is the place where you buy your shoes. If you buy them of us we will guarantee a fit that is a fit. We can fit your foot with a pair at \$2.50, \$3.00 or \$3.50 that will look as well as if you paid \$5.00 for them. We take pride in our fits. We'll let us have a chance at giving you a fit. That sale of Men's Winter Tans is still on. Let us tan your feet.
