Willoughby started for his home in Canada last Sunday night to attend to business. The French Essels' house thought would have a pale face Monday morning and tried to get into Marcia Mckenzie's buggy—Result was two broken legs. Phos. Dutts died at his home in Southfield, Friday, Feb. 28, aged 91 years. The funeral was held at the home of M. E. Chicker, Monday of last week. Rev. M. Dicker officiating.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes. If they are weak, the blood is impure and your health suffers. If they are strong, the blood is pure and your health is good. If they are weak, the blood is impure and your health suffers. If they are strong, the blood is pure and your health is good.

Swamp Road. The kidneys are the filters of the body. They filter out the waste products of the body and excrete them in the urine. If they are weak, the waste products are not filtered out properly and they build up in the body, causing various ailments. It is important to keep the kidneys healthy by drinking plenty of water and avoiding overwork.

A FARM FOR SALE.

Florida, West Indies and Central America. A farm for sale in Florida. The farm is located in a beautiful area and is well suited for agriculture. The price is reasonable. Interested parties should contact the agent.

The Rural Dea very of Mail.

Our farmer friends by making a little sacrifice can have their mail brought to their doors just the same as the city dweller. This is a great convenience and saves them the trouble of going to the post office. It is a service that should be encouraged.

HOME-MADE PHILOSOPHY.

There is nothing on earth so disparaged as the prudential economy of a man. A bad woman in high life is called a weak girl in the factory is called a strong girl. It is a pity that such a distinction is made. A man who is prudent is often looked upon as a weakling. This is a great injustice.

AT THE THEATERS.

The many girls who attend the theaters are often seen in the most beautiful costumes. They are the envy of many a man. The theaters are a place of great entertainment and enjoyment. It is a place where one can escape the cares of the world and enjoy the beauty of the stage.

UNCLE SHERK'S WISDOM.

All things are bygone and gone with the wind. The only thing that remains is the memory of the past. It is a sad thought that the things we love so much will one day be gone. We should cherish the things we have while they are still with us.

DISCOVERED BY A WOMAN.

Another great discovery has been made in the world of science. It was discovered by a woman. This is a great achievement and a source of pride for the female sex. It shows that women are capable of great things and should be encouraged to pursue their studies and careers.

DOES IT PAY TO BUY CHEAP?

A cheaply made coat and suit will not last long. It is a waste of money to buy cheap goods that will wear out quickly. It is better to buy quality goods that will last for years. This is a lesson that many people should learn.

How to Look Good.

Good looks are really more than skin deep. They are the result of a healthy body and a clear mind. To look good, one must take care of their health and their appearance. This includes eating a healthy diet, exercising regularly, and wearing clean, well-fitting clothes.

Midwinter Festivals.

Midwinter festivals are a time of great joy and celebration. They are a chance for people to come together and enjoy the company of their friends and family. These festivals are a tradition that has been passed down for generations and should be cherished.

CANADIAN INDIANS.

Some Over After the Riot in North-West. The riot in North-West has caused a great deal of trouble and suffering. Many people have been injured and property has been destroyed. It is a tragedy that should be prevented.

TERRIFIC FIGHT WITH DEER.

Inflicted Near Fatal Wounds and Her Son. A man and his son were involved in a terrific fight with a deer. The deer was very large and powerful. The man and his son were both injured and the deer was killed. It was a dangerous and exciting experience.

CAUSING TROUBLE IN NORTH-WEST.

Some Over After the Riot in North-West. The riot in North-West has caused a great deal of trouble and suffering. Many people have been injured and property has been destroyed. It is a tragedy that should be prevented.

MANY SAWS ABLISS-LEADING.

Prospect in Common Law That Are the Reverse of Usual. Many saws are being used in the lumber industry. These saws are of a new design and are more efficient than the old ones. They are causing a great deal of trouble for the lumber companies.

Discovered by a Woman.

Another great discovery has been made in the world of science. It was discovered by a woman. This is a great achievement and a source of pride for the female sex. It shows that women are capable of great things and should be encouraged to pursue their studies and careers.

That Cough Hangs On.

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce a gripe, pneumonia or a serious bronchitis. You need something that will give you strength and build up the body.

SCOTT'S EMULSION.

will do this when everything else fails. There is no doubt about it. It nourishes, strengthens, builds up and makes the body strong and healthy. It is a great remedy for all sorts of ailments.

A Gigantic Tunnel.

A gigantic tunnel is being dug through the mountains. It is a great engineering feat and will be a great benefit to the people of the region. It will allow for easier travel and trade between the different parts of the country.

A Different Article.

A different article is being published in the newspaper. It is a new and interesting article that will be of great interest to the readers. It discusses the current events and the state of the world.
