TRANSVAAL WAR ITEMS.

A British dispatch from Rensburg dated Feb. 13, says there has been hard fighting for two days near Caledon, the Boers making strenuous efforts to outflank the British left. The fighting at the outpost camps has been very severe during the last few days. On the 14th the Boers attacked the position of the Whites, to the south of Caledon. Fighting continued all day and after dark it was considered necessary to withdraw a flank company. The losses are not yet known.

The British troops in the area since the Boers began their offensive have been reinforced. The British troops are now in a strong position to resist any further Boer advances.

The Boers are now concentrating their forces in the area of Caledon. The British troops are well prepared to meet any further Boer advances.

The Boers are now making preparations for a possible raid on Rensburg. The British troops are well prepared to resist any further Boer advances.

"Deeds Are Better Than Words."

What does Hood's Sarsaparilla do? The answer comes full-throated from a gigantic chorus of healthy men and happy women. "It does just what it claims to do." It purifies the blood and restores the vitality of those who suffer from any form of blood poisoning. Hood's Sarsaparilla is a powerful purifier of the blood and a restorative of the system. It is the only medicine that will cure any form of blood poisoning. Hood's Sarsaparilla is a powerful purifier of the blood and a restorative of the system. It is the only medicine that will cure any form of blood poisoning.
