

Worthless Stuff!

What a lot of trash is sold as cough cures. The hollow drum makes the loudest noise—the biggest advertisement often covers worthlessness.

Sixty years of cures and such testimony as the following have taught us what Ayer's Cherry Pectoral will do.

It's the dross you would be led by cough medicine. Try a 25-cent bottle.

THE NERVES OF WOMEN

THE NERVES OF WOMEN
 Lydia E. Pinkham's Vegetable Compound
 Believes the Suffering from Over-rought Nerves.

"DEAR MISS PINKHAM—I am so grateful for the benefit derived from the use of Lydia E. Pinkham's Vegetable Compound that I feel it my duty to publish this testimonial that others may know the value of your medicine. I was suffering with tortures from nervous prostration that life was a burden. I could not sleep at all, and after I had taken three bottles of your medicine, I reached a condition where my heart was affected by so much that I could not sleep at all without almost suffocating."

I took Lydia E. Pinkham's Vegetable Compound and it worked like magic. I feel that your medicine has been of inestimable benefit to me. Miss ABIE WILSON, Mrs. N. Bradford, Atlanta, Ga.

Thin, Sallow and Nervous

"DEAR MISS PINKHAM—I was thin, sallow and nervous. I had not had my menses for over a year and a half. I consulted with several physicians in town and one specialist, but did not get any better. I finally decided to try your medicine, and wrote you. After I had taken three bottles of Lydia E. Pinkham's Vegetable Compound and three of Blood Purifier, my menses returned, and I felt as well and strong as I ever did, and am gaining flesh."—Miss LEXA GAINEA, Visalia, Tulare Co., Cal.

HIS WORD OF HONOR.
 A Tale of the Blue and the Gray.

CHAPTER XI (Continued)
 "I hope, sir, that you are not venturing upon a job with me, the justice of the peace," Mr. Harrison said to the man.
 "Nothing at all, because for the moment he is in a very important position, which presents no prospect. But as to his authority, allow me to show it to you."
 The baronet took the document which the man held up, and read it. It was a letter from the man who had written to him, and it was addressed to the man who had written to him, and it was signed by the man who had written to him, and it was dated the day before yesterday.

QUEER OCCURRENCE.

The Remarkable Alpine Experience of a King's Messenger.
 At a critical moment of international complication which occurred a few months ago it was found necessary to send a king's messenger across one of the Alpine passes charged with dispatches the importance of which was so great that they practically involved the issue of peace or war. It was in the depth of winter, and in those days, even under the most ordinary circumstances a journey across Europe meant no trifling undertaking. The first part of the journey was safely accomplished in particular as far as the foot of the pass, where a transfer to a sleigh was necessary. Here on inquiring at the post office for a sleigh and a driver, the messenger found to his chagrin that there was to be had, "impossible, no sleigh to go forward this night." It was evening, however, a private carriage arrived, owned by one of the town, with a sleigh, several pairs horses and plenty of servants, including the equipment of a personage of distinction. The messenger, however, had no other alternative than to accept the offer, and to go forward this night.

THE OLDEST MAN IN AMERICA

Tells How He Escaped the Terrors of Many Winters by Using Peruna.

Mr. Isaac Brock, born in Buncombe Co., N. C., March 1, 1788.

Born before United States was formed.
 Saw 22 Presidents elected.
 Peruna has protected him from all sudden changes.
 Veteran of two wars.
 Had a horse when 99 years old.

Always conquered the grippe by Peruna.
 Witness in a land suit at age 103 years.
 Believes Peruna the greatest remedy of the age for catarrhal diseases.

"I had several long sieges with the grippe. At 178 I did not know that Peruna was a remedy for this disease. When I heard that the grippe was epidemic catarrh, I tried Peruna for the grippe and found it to be just the thing."
 "As for Dr. Hartman's remedy, Peruna, I have found it to be the best, if not the only, reliable remedy for these afflictions. It has been my standby for many years, and I attribute my good health and extreme old age to this remedy."
 Very truly yours,
 Isaac Brock.

Isaac Brock, a citizen of McLennan county, Texas, has lived 103 years. He now lives with his son-in-law at Valley Mills, Texas.
 In speaking of his good health and extreme old age, Mr. Brock says:
 "After a man has lived in the world as long as I have, he ought to have found out a great many things by experience."
 "One of the things I have found out to my entire satisfaction is a proper remedy for ailments that are due directly to the effects of the climate."
 "During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhoea. I had always supposed these ailments to be different diseases, but in reading Dr. Hartman's books I have found out that these ailments are the same and that they are properly called catarrh."
