# BICYCLES!

**\$35 Values for \$21.00**  
**\$25 Values for \$16.50**

This promises to be a great bicycle year. Unless all signs fail more wheels will be sold than in any previous season. The record we have established for bicycle selling in manufacturers that this store is the greatest retail outlet in Detroit, and many others of agencies have been made. Realizing the fact that the general demand will be for a good wheel at a moderate cost, we have selected three makes that are the very best in their class, and will offer them at the lowest prices ever known in the history of bicycle selling. All other things being equal.

## The 1900 "Carnival" at \$16.50

For ladies and gentlemen. An up-to-date, easy running, thoroughly well built wheel that meets every demand of service. Enamelled in black, maroon and green. 22 and 24 inch frames. Single tube tires. Upright or drop handle bars. Gear 63 to 77. Guaranteed for one year. The exclusive dealer's price for this wheel is \$25.

## The 1900 "Famous" at \$21

For a lady a strictly stylish wheel—one that embodies all the newest and best features of bicycle construction, you can't make a mistake in selecting either of these two types. They have the archetypal fork crown, small tubing, flush joints one-piece crank-handle, automatic seat post, adjustable handle bars. Gear 63 to 98. Enamelled in black, maroon or olive green. Every ounce of material in them is the best, and the workmanship is unsurpassed. Ladies' and gentlemen's models both the same price, \$21. Guaranteed for one year. You will be asked \$15 elsewhere for the same wheel or one of them.

Of course our terms are spot cash, that's the basis of our low prices. But when we offer you a saving of 25 to 33 1/3 per cent on a wheel that is unquestionably a safe investment, isn't it worth while to borrow the money if necessary, and even pay interest on it? In justice to yourself do not decide on a wheel until you have inspected our line.
