The Washington Tea.

One of the best entertainments ever held in our village was the Washington Tea given February 22 by the Village Improvement Society in Library Hall.

The hall was brilliantly decorated with flags, pictures, etc. At each of the thirteen tables presided a lady in the costume of a land time, each assisted by young ladies who, each with another in securing positions of the respective tables.

Mrs. Carlisle as Lady Washington, seemed to have stepped down from the page of some picture to join her to the occasion.

Although it was a great success and worthy of the worthy cause, the improvement of our beautiful village.
