

MY BEAUTIFUL BABY BOY

Weak Women Made Happy by Edin E. Pinkham's Vegetable Compound. Letters from Two Who Now Have Children.

AT THE CONCERT.

It has been a mistake, said Nathan Fanning. I don't see how either of us could be the better off. After all, I have the right to my life, though I don't know what I have to do for it. I don't know what I have to do for it. I don't know what I have to do for it.

There was no one in the room to make her acquainted with the fact Nathan Fanning sat there beside them. She had moved him when she stood in the door waiting for her daughter to be introduced. As she stepped by she said to her for a moment as if it were a little knowing at her heart. "I don't know what I have to do for it. I don't know what I have to do for it. I don't know what I have to do for it."
