The Senior-Junior Debate last week was enjoyed by a large and appreciative audience, all of whom were aware that it was a decided illustration of the ability of the speakers to handle their subject. A concise description of this interesting debate will be found in School Notes.

The ladies of the Library Society are under great obligation to Master Raynale Whitehead for a gift of 20 volumes of Harper's Magazine. It has long been the desire of this Society to have a complete set of this magazine. This gives a starting point so that they hope to get the earlier and later dates.

Be sure and attend the social in Presbyterian church next Wednesday evening, March 28. It will be given by the boys of Miss Mable Koontz' S. S. class and the receipts go toward purchasing new books for the Sunday School library. Everybody turn out and encourage the boys. Admission 10 cts.

The following announcement recently reached Birmingham friends. Married, at the residence of the bride's uncle and aunt, Mr. and Mrs. R. D. Lusted, Miss Lizzie B. Neeland to Mr. Randall Calkins, Albuquerque, N. M. The ceremony was followed by a reception, which was attended by about fifty guests. Here's congratulations.

Girls, you have often heard that the best way to reach a man's heart is by way of his stomach, and you all know the sterner sex are veritable pie-faces (chewers). This is the point—step into Whitehead & Mitchell's next Wednesday and Thursday, and learn how to make good pastry, then you instantly become full-fledged heart-crushers.

The Misses Ethel and Nettie Dunbar, of Franklin, gave a party to their many friends at their home last Friday evening. Notwithstanding the stormy night about thirty attended. Guests were present from Detroit, Birmingham, North Farmington and Franklin. Games, ... and dancing were the order of the evening, and everyone reports a most enjoyable time.

Wanted—Members of the Village Board and of the Village Improvement Society, to attend the debate to be given by the Junior class of the High School Friday afternoon. ...

... last Saturday evening was ... and ... The ... of this production of Charles M. Sheldon is universally ... and the beautiful stereopticon pictures brought the details of the story out in vivid reality. We only wish the gentleman who furnished the entertainment had been greeted by a larger house, which they truly merited. However they have established for themselves a good reputation which would prove of advantage to the gentlemen should they make a second visit to Birmingham.

The electrical blizzard, if such a thing was ever heard of, which struck our vicinity last Friday evening about 8 o'clock, was the worst one known for years and was certainly a sturdy rival to the wild west gales of which we hear so much. It came so suddenly that people hardly knew what had struck the town, and in five minutes everybody was hurrying in all directions trying to reach their respective homes or some other place of shelter. Many amusing experiences were narrated by our various citizens as they gathered in little groups at the different stores awaiting the quietude of the elements without. It was reported that one or two persons in the vicinity of Franklin lost their bearings entirely and came near perishing. The air was filled with blinding snow and seemed charged with electricity. For a time buildings were wholly obliterated from view. The storm was of short duration, however, and the next morning everything was as calm as though nothing had happened.

Biggle Poultry Book.

Many women throughout the country make pin money out of their chickens. We have known of women who have clothed the entire family with the proceeds of the poultry yard, and some have paid off mortgages and others bought their homes by intelligent management of their flocks. Everybody interested in chickens should get Biggle Poultry Book. It is full of helpful suggestions and short cuts to success, and has so many years of costly experience boiled down for its pages that it is poor economy to be without it. It will help increase the income from the poultry yard, and has started many an amateur or misguided professional on the right track. The price is 50 cents, free by mail. Address the publishers, Wilmer Atkinson Co., Philadelphia.

TEST THE KIDNEYS

And if They are Diseased Use the World's Greatest Kidney Cure

DR. A. W. CHASE'S KIDNEY LIVER PILLS.

It's a simple matter to test the kidneys. You need not consult a doctor. By asking yourself three questions you can determine whether or not your kidneys are deranged.

First: "Have you backache or weak, lame back?"

Second: "Do you have difficulty in urinating or a too frequent desire to urinate?"

Third: "Are there deposits like brick dust in the urine after it has stood for twenty-four hours?"

In its early stages kidney disease is readily cured by a few boxes of Dr. Chase's Kidney-Liver Pills, a preparation which has made Dr. Chase famous throughout the world for his wonderful cures of diseases of the kidneys.

Mr. Isaiah Manigold, painter, Watertown, N. Y., writes: "I have had a very bad case of kidney affection for some time, and doctored in vain until Dr. A. W. Chase's Kidney-Liver Pills were brought to my notice, and they have completely cured me. I cannot say enough in praise of their wonderful merit."

If you have kidney disease, you can take Dr. Chase's Kidney-Liver Pills with perfect confidence that what has proved an absolute cure in so many thousands of cases will not fail you.

So long as the cells of the kidneys are not completely wasted away, as in the last stages of Bright's disease, Dr. Chase's Kidney-Liver Pills will give them new vigor and strength, and make them strong, healthy and active. One pill a dose, 25c a box, at all dealers, or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.
