Thousands of Thinking People

are satisfied that Scott's is the best place in Michigan to buy everything that is needed for the home and for the person. The reasons that make it best are many, but these are the principal ones:

No other import store is so easily and quickly reached from anywhere.

Being the largest retailers in our line, and buying and selling for cash, it naturally follows that we own our goods cheaper and can sell for lower prices than any other dealer.

We always show the greatest assortment of desirable merchandise, begin each season with new goods entirely.

We handle no second hand or bankrupt stocks. Everything we buy comes direct from the manufacturers and in first class or we won't have it.

We guarantee the quality and worth of every article we sell. If the buyer finds that it is not as representative, or that it is not the best value that can be bought for the money, we take it back and refund the purchase price.
