Attention is called to what R. H. Traver has to say in his new ad's this week. It will pay you to read it. Traver always does as he advertises.

Is anyone making any effort to induce any manufacturing industry to come to this village? If not, why not? Don't you want your empty houses filled?

Rounds' Lady Orchestra will give a concert at the M. E. church, Friday evening, March 10th, under the auspices of the League. All to and read a good concert.

We have in our possession an autograph album, written by E. S. Voorhies. It was written March 2, 1909, and the peculiarity of the autographs is that the dear old lady related her youth birthday, an anniversary that day and a crowd of loving relatives. All this happened in Montclair county last week.

Do you want to buy a sturdy farm wagon, truck, power, or other? It is located one mile west of Woodward avenue on the 12-mile road and contains 1200 acres. The land is in first-class and every thing about the premises desirable. See ad in "Home Notes" column. It's a bargain for somebody.

Women underwear, vigorously speaking, is not so good for all around purposes as cotton or linen. The latter, if washed, being preferable. If one perspires readily he will wash as readily when wearing woolen underwear, as it holds the moisture, thus keeping the surface of the body damp. March Ladies Journal.

When in Detroit, it is scarcely of the well-known traveler, Mr. J. Engass, that goes on his doctor's advice and stand when you reach Grosse Pointe, Ave. walk in, to be temporarily located there, awaiting the completion of the new building at his old location. He is not, but he has removed together with Mr. Engass, his own and other business, from Grosse Pointe.

Among the new books to be found on the shelves of the Ladies Library are 45 volumes, placed there by the kindness of Mr. J. M. Shepherd, of Pontiac. These books were written by Emanuel Swedenberg and his advocates, and belong to a set of seven volumes, which Mr. Shepherd donated to our library two years ago. A Birmingham woman who has lately visited Northville says: "Business in the town is improving. Persons that the merchants have carried on their books for years are paying up and an air of prosperity prevails. Those who must drink are going to Plymouth and are so disagreeable to the people of that town that they are thinking of not looking the example set by Northville."

ILLS OF AGE

Are Usually Due to Some Derangement of the

KIDNEYS,

Which Can be Remedied by the Use of

Dr. Chase's Kidney-Liver Pills

In the evening of life after the battles are fought, who shouldst the out-fallen enjoy in comfort their old days?

It is usually the kidneys which first get out of order, and it is usually the kidneys which are the cause of all the troubles of old age.

The ordinary man-drama of today seems to depend more on his wares, and less on his character.

Dr. Chase's Kidney-Liver Pills strike at the root of trouble by making the kidneys healthy and vigorous.

Their cure brings disease, dropsy, diabetes and all diseases of the kidneys, liver and bladder, to their natural state.

Members of the Y. P. S. C. E. enjoyed a sleighride out to Mrs. Susie Krowbridge's last Friday evening where they were greeted with the hospitality for which this city is well known.

Mr. J. D. Wright, of Leonard, N. Y., writes: "I am a blacksmith and have had kidney disease in its worst form for five years. I was never free from backache and rheumatism. Mr. Alexander's Kidney-Liver Pills so greatly relieved me that I am now entirely free from backache and kidney disease."
