

The Sarsaparilla that's used by Chinese and Hindu; in the bushes of Australia and the wilds of South America; the Sarsaparilla that braces British and Boer, and gives strength to French and German, Russian and Turk.

That's AYER'S

The Sarsaparilla that has more than twenty pages of doctors' indorsements, extending over nearly sixty years, embracing every known disease which arises from impure blood; that's made on honor and made to cure.

That's AYER'S

The Sarsaparilla that's made of carefully selected drugs, the best and purest and most expensive from the world over; that's made of a sarsaparilla root costing more than ten times as much as that which enters into the composition of any other Sarsaparilla.

It removes all impurities from the blood, impurities which irritate the brain and nerves, and cause countless aches and pains. STORAGE OF A LADY'S LIFE

She had passed out of mortal life in Rome, Italy, at the age of 18. She was a beautiful girl, and her death was a great loss to her family. Her life was saved by the use of Dr. Williams' Pink Pills for Pale People. She had been suffering from a severe case of anemia, and her health was rapidly declining. Her father, a wealthy man, had spent thousands of dollars on the best medical advice and treatment available, but nothing seemed to help. Finally, a friend of his had heard of Dr. Williams' Pink Pills and had written to him about the girl's condition. He had sent her a box of the pills, and she had taken them for a few days. To his surprise, she had written back to him saying that she felt much better. He had then sent her another box, and she had written back again saying that she was now able to get up and walk about. He had then sent her a third box, and she had written back saying that she was now able to go to school and work. He had then sent her a fourth box, and she had written back saying that she was now able to get married and have a family. She had lived for many years after that, and her life was a testament to the power of Dr. Williams' Pink Pills.

WHY THE COLORED PEOPLE

are so much afflicted with disease is because of the impurities in their blood. The colored people are a hardy race, and they are able to withstand the hardships of life better than the white people. This is because their blood is purer than the white people's blood. The white people's blood is impure because of the impurities in their diet and the impurities in their environment. The colored people's blood is purer because they eat a diet of natural food and they live in a clean environment. This is why the colored people are so much healthier than the white people.
