Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are filters. They are filled with little porous openings, or pores, which let the pure blood pass through, but hold back all impurities. If the kidneys are sick or out of order the blood passes through them with the impurities in it. Then it is that you have backache and kidney trouble. Doan's Kidney Pills cure sick kidneys. They cure backache, sick headache, dizziness, nervousness, heart flutter, and all urinary troubles. They have cured thousands of cases of kidney trouble. Doan's Kidney Pills are for sale by all dealers, 50 cents per box.
