

RAGGED

What a story of suffering that one word tells. It says: "I am all tired out. It seems to me I can hardly take another step. I haven't a particle of ambition. I can't do half the work I feel I must do. I am weak, nervous, depressed, discouraged."

That's Impure Blood

Now you know what the trouble is, you certainly know the cure,—a perfect Sarsaparilla. "Sarsaparilla" is simply the name of the medicine, for is a perfect Sarsaparilla there are a great many remedies. Some act by taking out the bad; others, by putting in the good. You want a Sarsaparilla that will make your blood pure this spring, a Sarsaparilla that will make it rich and strong, a Sarsaparilla that is a powerful nerve tonic. You want the strongest and best Sarsaparilla that can be made.

That's AYER'S

"The only Sarsaparilla made under the personal supervision of three graduates: a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."

STRONG EVIDENCE.

That the man who was killed by the French ship was the man who was killed by the French ship... (The text is partially obscured and difficult to read due to the image quality and layout.)

Woman's Refuge

when sick is Lydia E. Pinkham's Vegetable Compound.

No other medicine in the world has done so much good. No confidence has ever been violated.

No woman's testimony has ever been published by Mrs. Pinkham without special permission.

No woman ever wrote to Mrs. Pinkham for advice without getting help. No man sees these letters.

Her advice is free, and address is Lynn, Mass. She is a woman, you can tell her the truth. No living person is so competent to advise women. None has had such experience.

She has restored a million sufferers to health. You can trust her. Others have.

Lydia E. Pinkham Med. Co., Lynn, Mass.

Spring Body Cleaning

Every spring you clean the house you live in, to get rid of the dust and dirt which collected in the winter. Your body, the house your soul lives in, also becomes filled up during the winter with all manner of filth, which should have been removed from day to day, but was not. Your body needs cleaning inside. If your bowels, your liver, your kidneys are full of putrid filth, and you don't clean them out in the spring, you'll be in bad odor with yourself and everybody else all summer.

DON'T USE A HOSE to clean your body inside, but sweet, fragrant, mild but positive and forceful **CASCARETS**, that work while you sleep, clear all the filth collected in your body for removal, and drive it off softly, gently, but none the less surely, leaving your blood pure and nourishing, your stomach and bowels clean and lively, and your liver and kidneys healthy and active. Try a 10-cent box today, and if not satisfied get your money back—but you'll see how the cleaning of your body is
