Jumped From a Street Car.

Stella Carter, an adopted daughter of Harvey Carter, had a strange experience in Detroit one day last week. The little girl, who is seven years of age, was in company with Ben Lillard and was on her way to visit a sister. The conductor of the street car called off the names of the street cars and when the name of Stella was called, the little girl despite the efforts of Mr. Lillard and the conductor, sprang from the car while it was under full speed. The car was stopped and the little girl was picked up by Mr. Lillard who carried her some distance and to her father's house. An examination showed that she had very nearly sustained a concussion of the brain and for several days after coming home the little lass was kept out of school and given the best of attention. Just what made her act so wild is not known and that she was not more severely injured seems little short of the miraculous.

Beddow Milk Business.

The following prices were paid for the milk from the Beddow farm last week: April, 5c per hundred; May, 6c; June, 7c; July, 8c; August, 9c; September, 10c; October, 11c; November, 12c; December, 13c. This makes an average monthly price of 10.25c, and in this price is added the value of the whey that is returned to the farmer. The difference in the cost between the Beddow milk once a day or twice, the price will be found to be much over \$1.00 and in our favor.

At a meeting of the Village Improvement Society held March 31, the following resolutions were unanimously adopted: 1. That the Village Improvement Society make their own arrangements for the improvement of the village. 2. That the improvement of the village should be immediately repaired. 3. On April 5, 1890.

Ten years ago we opened our store to the public for the first time. It was to be a Clothing Store in every sense of the word and to be conducted on the following policy: To deal honestly and truthfully with each and every person and to sell nothing but reliable merchandise at a reasonable price. Success has crowned our efforts and now on our tenth anniversary we wish to thank all our friends for their patronage and assure them that in the future as in the past they can rely on the Ready Store with the same feeling of security that they have heretofore.

R. H. TRAVER, 171-173-175 Woodward Ave., Detroit.

On our Tenth Anniversary Success will be given to us as before this week.
