Our Baptist friends are always giving us something good in the way of specials, etc.

Since so much fault has been found about the raising of sugar beets, the attention of farmers has been called to tobacco raising and whether it could be made to pay.

The soil conditions seem to be favorable and as far as we can learn there is no reason why tobacco cannot be successfully raised by our farmers and made to pay big returns for the time and money invested.

Another one of those pleasant socials for which the Lady Foresters of this place are becoming noted, was held at the home of Mrs. Fanny Shain on Friday evening last.

The general complaint throughout the state among the farmers seems to be the scarcity of men desiring to work at farm labor. The wages offered are said to be higher than those paid in years.

In Monroeville there is an ordinance against spitting on sidewalks and in public buildings. Many who drag their skirts along our streets, ask that we had people neat enough to stop it.

Elsewhere in this paper we have found statements of the good business done by J. M. Hedrick, at Hedrick's seems to be that business in his county and having to do with getting into the milk business.

We are pleased to learn that Rev. O. K. L. and other visiting preachers are coming to Birmingham this week. We sincerely hope we will see the same here at Birmingham.

Cards and music made the evening a most enjoyable one. About 75 were in attendance. After a dainty little supper, dancing was indulged in by all those so inclined. Music for the occasion was furnished by F. W. Sherman.

Very much uneasiness is felt by farmers in many parts of the county because of the high cost of oil, which has covered their wheat fields. In some instances the conditions are the worst they ever knew. In some fields there were large yields, but owing to the high cost of oil, the wheat was not harvested.

Next Tuesday

At 12:45 p. m. standard time, you begin and last after each meal a half teaspoonful of Dr. A. W. Chase's Nerve and Blood Pills. You will be permanently relieved of all stomach or bowel irregularities and will gain true friendship by this timely advice. Observe strictly in all sincerity. At Whitehead & Mitchell.

EXHAUSTED NERVES

Are Restored and Re-energized and the Body Fitted with New Life and Vigor by Using Dr. A. W. Chase's NERVE AND BLOOD PILLS.

If nervous exhaustion were better understood, the numbers of insane and epileptic persons would be greatly reduced, and there would be less paralysis and nervous prostration.

Business and professional men would not be overcome by brain fag. Young dyspeptics and headache teachers' diaries would not be exhausted by their work, and women would not be pale, weak and nervous and suffer from peculiar nervous prostration.

To get at the cause of these troubles you must nourish and restore the wasted nerve cells. Dr. A. W. Chase's Nerve and Blood Pills are the greatest restorative known to modern science. They are not purgative, nor have they the weakening effect of a purgative, but they build up the system.

Dr. A. W. Chase's Nerve and Blood Pills are prepared from the favorite prescription of Dr. A. W. Chase, the famous author of Dr. Chase's Kidney Pills, and have proven the greatest cure of the age for diseases arising from thin, watery blood and exhausted nerves.

A few weeks' regular treatment with this popular remedy will completely restore pale, weak, nervous men, women and children to robust health. By increasing and fortifying the blood, and creating new nerve force, they fit the body with new life and vigor, and banish disease from the system. There is no guess work about the results of Dr. Chase's Nerve and Blood Pills. They can tell its results on the eye, the pulse and its curative properties. Efforts exerted by all dealers, or by mail, on receipt of the price, by Dr. A. W. Chase, M. D., Co., Buffalo, N. Y. On every box of the genuine will be found a portrait and facsimile signature of Dr. A. W. Chase.

Dr. A. W. Chase's Nerve and Blood Pills are prepared from the favorite prescription of Dr. A. W. Chase, the famous author of Dr. Chase's Kidney Pills, and have proven the greatest cure of the age for diseases arising from thin, watery blood and exhausted nerves.
