### Geo. McSty Tells of Soldering in the Philippines.

A Volunteer Soldier in His Great  
Opportunity for Being the Country  
Many Americans are being killed  
Every day in the Philippines, writes  
H. H. Smith, a volunteer soldier in  
the United States Army, in a letter  
which has just been received at the  
Bureau of the *Eccentric*. It is  
a very interesting and inspiring  
letter, and it is a good thing that  
it should be published. It is a  
letter which should be read by  
every American who has any  
interest in the Philippines.

the fact that we are in a great  
struggle for our freedom.
