Another Negro Is Lynched.

An unknown negro was lynched at Metcalfe, Ga., for attempting an assault on the daughter of E. H. Stringer. There was no excitement.

When the mobs of the Mississippi City lynching was taken to G. W. Lucigno at Jackson he informed that the facts are as reported. He will issue no stopes returned to bring the guilty parties to justice.

Remarkable Rescue.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs. She was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine would cure her. Her druggist suggested Dr. King's New Discovery for consumption, she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well. It now does her own housework and is as well as she ever was. Free trial bottles of this great Discovery at Whitehead & Mitchell's drug store. Large bottles 50 cents and $1.00.

The Crowning Triumph

Of a Busy Professional Life Was the Discovery of

Dr. A. W. Chase's Nerve and Blood Pills,

The New Treatment Which Has Revolutionized the Old Method of Treating Diseases of the

BLOOD AND NERVES.

Of the private prescriptions of Dr. A. W. Chase, none have had such a wide influence on the medical profession as his last great discovery, Dr. Chase's Nerve and Blood Pills.

For many years Dr. Chase's Ointment and Dr. Chase's Kidney-Liver Pills have been standard remedies, known and used in nearly every home. Dr. Chase's Nerve and Blood Pills have had greater attention from physicians because they have to a large extent revolutionized the method of treating diseases of the nerves and blood.

The old method of tearing down disease by the use of strong, poisonous drugs has failed to cure. Purgatives and sarsaparillas weaken instead of strengthen the body. Dr. Chase's Nerve and Blood Pills cure by making the blood rich and pure, and creating new nerve tissue. As a spring restorative this great food cure has no rival known to medical science.

As a restorative for pale, weak, nervous men and women at any season of the year, Dr. Chase's Nerve and Blood Pills have scored a triumph. 50 cents a box, at all dealers, or by mail on receipt of price by the Dr. A. W. Chase Medicine Co., Buffalo, N. Y. On every box of the genuine will be found portrait and fac-simile signature of Dr. A. W. Chase.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at Whitehead & Mitchell's.
