FREE GOVERNMENT LANDS.
There are still thousands of acres of government lands in the states of Washington and Oregon, also prairie and timber lands near railroad or water-irrigation, that can be bought for \$5 per acre and towards a fine situation in the United States. No fallow of land. If you wish to raise grain on the first check on earth, you will find the same in those two states, and you can do this to perfection. I have no lands for sale, but I have information where you can buy, and I will give you the names of the owners. If you wish to buy, please write to me at 1011 Broadway, New York, N. Y., and I will send you the names of the owners. I am, Sir, your obedient servant,
R. E. WELSHMAN

MISERABLE

You're not feeling just right this spring, are you? Somehow, you haven't your old-time strength, cannot take hold of things with your usual push and energy. You just drag around, fairly well one day, not so well the next. You are wretched, disconsolate, discouraged; you are miserable

That's Nerve Poverty

To be rich in nerve power you should take a good spring medicine, something that will give you pure and rich blood. A perfect Sarsaparilla will do this every time; not a cheap Sarsaparilla, not one that promises you a great deal of bulk for your money, but a highly concentrated Sarsaparilla, one that has more cure in it than any other Sarsaparilla in the world.

That's AYER'S

"The only Sarsaparilla made under the personal supervision of three graduates—a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."
