THE BIRMINGHAM ECCENTRIC
ONE DOLLAR PER YEAR IN ADVANCE
WHITEHEAD & MITCHELL, PUBS.

BIRMINGHAM, FRIDAY, JULY 13.

Good intentions may receive some notice, but only accomplishment gains applause.

In China, twelve miles from Lion Chek, there is a mountain of alum which yields 100 tons yearly.

The Methodists have 312 missionaries in China, the Presbyterians 209, and the American Board of Commissioners for Foreign Missions 126.

From the way the people act one would think, instead of paying taxes, they were getting rich off the country.

WILL WED A BRITISH SOLDIER

MISS KATE FLYNN.

MINISTER E. H. CONGER

Edwin Hurd Conger, United States minister at Pekin, under whose direction American marines were landed for the protection of American interests against the Boxers, was born in Knox county, Ill., March 7, 1843. Mr. Conger is a man full of will and nerve. He was educated at Lombard university, graduating in the class of 1862. He turned from the school room to military service in the Union army, enlisting as a private in the One Hundred and second Illinois Volunteer infantry. He served with that regiment until the close of the war, rising from the ranks to the command of a company. At the close of the war he went to Iowa, and in the center there was a velvety bed, which seemed a little higher than the rest, but so natural that it would not have been noticed by any unaccustomed eye. I carefully lifted the green cushion, and under its veil, rolled close together, the head of each resting on the flank of the other, nestled two beautiful little kids, their large velvet ears lying flat on their dappled necks, their glossy sides sleek and shining as satin, their little delicate feet in pretty tan hazel wands shod with tiny yellow hoofs smooth and as black as ebony, and their large dark eyes looked out at me with a full moist expression of mingled fear and confidence that was very touching. I could not find it in my heart to disturb them, and left them undisturbed.
