MICHIGAN CROP REPORT.

The following are selections from the Michigan crop report for the month of July:

The wheat crop is reported to be a fair one, and the yield is expected to be about average. The corn crop is also reported to be a fair one, and the yield is expected to be about average. The soybean crop is reported to be a fair one, and the yield is expected to be about average.

QUESTION ANSWERED.

Yes, you can get a fair return on your investment in the stock market. The key to success is to buy and hold. Do not be swayed by the daily fluctuations of the market. Buy when the price is low and hold until the price has risen significantly.
