Remarkable Rescue

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine would cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after using six bottles found herself sound and well; now does her own housework and is as well as she ever was. Free trial bottles at this great Discovery at Whitehead & Mitchell's drug store. Large bottles 50 cents and $1.00
