...which grasps you without warning... which grasps you without warning... which grasps you without warning...

## Trying to Part Condict & Mother and Child.

THE KILLING OF PRESIDENT CARNOT AT LYONS, FRANCE, JUNE 24, 1893.

### Minister from Japan.

Mr. Kogoro Takahira, the new Japanese minister to the United States, is about 55 years of age... rather muscular, and somewhat taller than the Japanese standard. His face is strong, his manner of expression careful and studied, and his command of the English language is perfect. He was attached to the Japanese legation...

### Consul General Wildman.

...consul general... consul general... consul general...

ROBINSON WILDMAN, New York, and was educated at the University of Syracuse, that state.

### THE JOHN FRANKLIN

...John Franklin... John Franklin... John Franklin...

...John Franklin... John Franklin... John Franklin...
