HAZARDUS TO ORDER

Conversation in a Hand-Me-Down Sermon Shop. That bill which a clergyman introduced into our state senate as a check to the growing industry which provides students with ready-made orations and essays and compositions is attracting some unpleasant attention in the east, where they don't understand so easily the Cleveland Plain Dealer. The little bill is all right as far as it goes, but it isn't elastic enough. The sermon maker will, however, be less than a horse for literary judgment. But strange to say, he is likely to get the credit. No doubt he will have a great deal to say for himself in the future. There are many who will be glad to see the bill pass.

THE BOXERS OF CHINA

Attempting to solve a gigantic problem, but they are going about it in the wrong way and will never succeed. Some people, in this country, seem to think that they have a great opportunity on their hands in selecting a location for a home. They will certainly go about it in the wrong way unless they inspect the beautiful farming country on the line of the Chicago, Milwaukee & St. Paul Railway in Marathon county, Wisconsin, where the crops are of the best, work plenty, the markets, excellent climate, pure water, land sold cheap and on time. Why rent a farm when you can buy one for less than you pay for it? Address E. F. Robbins, Land Agent, 111 La Salle St., Chicago, Ill.

University Student Waitresses. University students are returning to the old-fashioned notion of waiting on tables. The modern girl, however, is not so easily won over. She is more particular in her selection of a waitress. She will not take one unless she is a graduate of a university. She will not take one unless she is a graduate of a university.

Pale and Weak Women

Beauty and strength in women vanish early in life because of monthly pain or some menstrual irregularity. Many suffer silently and see their best gifts fade away.

Lydia E. Pinkham's Vegetable Compound

helps women preserve roundness of form and freshness of face because it makes their entire female organism healthy. It carries women safely through the various natural orisons and is the safeguard of woman's health.

The truth about this great medicine is told in the letters from women being published in this paper constantly.

NEBRASKA THE LAND OF PLENTY

I wonder why it is that so many men spend their days working hard on rented farms, barely making enough to get along, with no great prospect ahead of owning their own homes, when only a few hours' journey is a land of plenty—Nebraska, where all kinds of grain and fruit can be raised with the least amount of labor, where cattle and hogs find an ever ready and profitable market, where the climate is healthful and churches and schools abound; where land is cheap and can be bought on very easy terms.

Think of this, and if you want information about the country send to me for "The Corn Belt," a beautifully illustrated monthly paper that tells all about Nebraska, and also for "The West Nebraska Traveling Agency," an interesting illustrated brochure containing a large sectional map of Nebraska. On the first and third Tuesdays of each month during the balance of the year, cheap excursion tickets will be sold over our road to Nebraska, so that people may go and see for themselves. Ask your ticket agent about this.
