### REFLECTIONS OF A BACHELOR.

The first step toward getting a divorce is to get married.  
 An epigram is something that isn't so, said so, your own said said.  
 Every time a woman takes back to her husband she gets a new wrinkle.  
 The only kind of woman that makes a good wife is the kind that makes a good husband.  
 The average girl knows a few things, she knows she is not what she is.  
 Every woman who gets a divorce is a divorcee.

## Men's Fine Suits-- \$15, \$18, \$20, \$22.50.

This week we invite particular attention to our show of Men's Fine Suits for Fall and Winter wear. It's the best exposition of Men's Clothing that has ever been made here. At either of the prices mentioned we guarantee to furnish the same materials, same trimmings, same workmanship and just as perfect a fit as you can get from any custom tailor for double the money. Come and see before leaving your measure for a Suit.

More new goods--new styles, fabric, colors, shades and patterns--than any other two stores show. And what we sell of Suits is equally true of Overcoats.

Would advise an early selection; the stock is now complete as to assortment and sizes, but much of it--especially the finest and choicest styles and novelties--cannot be duplicated later on.
