Stop a Minute,

And consider if the pain, no matter what kind you have taken for your constipation, have really done you any good. Are you not more and more inclined to think so? Try Dr. Caldwell's Syrup Pepsin if you want sure relief. It does its work gently, but surely and 50 cents at Whitehead & Mitchell's.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Billiousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration of Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at Whitehead & Mitchell's.
