INSOMNIA is a forerunner of nervous prostration, or collapse, so strong enough to stand up under the strain of sleepless nights, and pills that nothing in the world can possibly take the place of restful sleep, yet many try to eke out an existence without this sustaining power. Their nerves are in such a state of tension that sleep is an impossibility, or at best is a series of hideous dreams. It is not strange that physical and mental weakness, amounting soon to complete prostration, follows inability to sleep. There is no let-up to the strain. Vital forces are drawn upon, confirmed invalidism results.

The recuperative power of natural sleep is wonderful. Complete physical and mental exhaustion gives place, after a few hours of quiet slumber, to a full renewal of energy. The fatigue of body and mind disappears entirely while all the machinery is strong and the nerves absolutely calm.

Sleep is the indication given by Nature as a guide to human plans to restore health. It shows that there are inherent in the wonderful human organism powers of recuperation which must have opportunity to assert themselves. Based on this clear demonstration, Dr. Greene's Nervura blood and nerve remedy was constructed by Dr. Greene to help Nature combat the ills that attack men and women. What no amount of powerful drugs could possibly accomplish, can be successfully and promptly effected by healthy blood and nerves, the kind of blood which flows in strengthening flood to every portion of the body, the condition of nerves which surrounds awakened Nature to seize its opportunity to restore to perfect health.

Mrs. FLORENCE TAYLOR, of 4 Courtland Place, Bridgeport, Conn., writes:

"For four years I was troubled with nervous debility and hysteria in a most aggravated form. It caused sleeplessness and mental depression, and for months I was confined to bed. My constitution wasted and I totally lost my appetite. I had many doctors, but they failed to give me any relief. I was advised to try Dr. Greene's Nervura blood and nerve remedy. I was in a terrible condition when I began its use, and almost immediately there was a wonderful change came over me. I regained my appetite, the dizziness in my head departed, it renewed my interest in life and made me feel in fact like another person. After taking six bottles I thankfully proclaimed myself strong and well. Those six bottles did for me what hundreds of dollars and numerous physicians failed to do."

Dr. Greene's Nervura is the Remedy that Cures.

A NATION COING.

Finland's National Existence Will Soon Be a Thing of the Past.

Tragedies of history are becoming as numerous in the world just now that the world ceases to wonder. One of the latest moves in the crushing out of Finland by the heavy hand of the "great white czar" is the requisitioning by Gov. Bobrikoff, Russia's tool, of sample copies of all text books used in Finnish schools. Russia, which has suppressed the Finnish newspapers thought to be inimical to a programme of blotting out Finnish nationality, is now, it is thought, preparing to lay its hands upon the Finnish system of education. The unexpected attack on Finnish national interests was begun on Feb. 17, 1899, by the czar's ukase, which made [illegible] of the grand duchy subject to [illegible] for [illegible] which [illegible] Finnish [illegible] ...
