ROYAL OAK MYSTERY.

Body of a Young Woman Found in the Woods on Methury Farm

Probably Victim of a Foul or Human Shape. Her Death Not Likely to Be Reported that the Body Was a Former Birmingham Girl Proves to Be Entirely Unaccounted For.

Thompson's statements that the body of a woman was found in the woods on a farm near Royal Oak, Sunday morning, and all indications point to the perpetration of a crime that will probably never be revealed. Sunday morning, Harrison Long, who for some time has been in the woods on the farm, was across to the woods on the Methury farm to gather hickory nuts. While he was passing up a path he noticed the strange motion of what he took to be a fence away, which seemed to be a person lying at the foot of a tree. He investigated and found the body of a woman lying face down on the ground. When Long had driven the animal in a wicket at the farm, he saw the woman lying face down in the woods, and he was the first to discover that the body had been found in the woods on a farm near Royal Oak, Sunday morning, and all indications point to the perpetration of a crime that will probably never be revealed.
