I called to my companion, but there was no answer, and I was to get to get over to him. After a time I heard the moving vehicle and in an anxiety that attracted attention. At last the car was opened and I was released. I went to assist you with all those details, but they found the body of my companion. It was swollen to horrible size and a fearful thing to see. I lay in a hospital for several days, and when I came out my hair was like it is now, although you know, Staff, I am less than thirty.
