Irving and Terry in America.

The return of Henry Irving and Ellen Terry to this country after an absence of two years attracted to the Knickerbocker theater, New York, the other night, the finest, although not the most fashionable audience of the season. They were accompanied, as usual, by the company of the London Lyceum. Their welcome was as cordial and sincere as it has been in the past. The play was the historical drama "King Charles I," by W. G. Willis. Mr. Irving appearing as the English king and Miss Terry as Queen Henrietta Maria. It was first presented at the old Star theater in 1882 and has been revived at intervals since, but it is a picture of royal misery and domestic suffering too pathetic and painful to warrant frequent representation.

Jumped On a Ten-Penny Nail

The little daughter of Mr. F. N. Powell jumped on an inverted take made of ten-penny nails and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well-known merchant of Forkland, Va. Pain Balm is an antiseptic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by Whitehead & Mitchell.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German syrup." It not only heals and stimulates the tissues to destroy the germ disease but allays inflammation, causes easy expectoration, gives a good night's rest and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sample bottles at Whitehead & Mitchell's.
