Mrs. W. Campbell is spending a few days with her son, Dr. Campbell, of Birmingham.

A new McCaffrey lawn mower is from the place. Consideration $5.00.

Robert Dodd and family moved from their farm into the village last week.

Mr. and Mrs. Jerome Kidder are the happy parents of a bouncing baby girl that arrived on the last week.

A baby boy came seeking board and shelter at the home of Mr. and Mrs. Alfred Reynolds last week Thursday, and on Saturday Mr. and Mrs. Reynolds were assisting in the matter.

Everybody is enjoying the beautiful fall weather and our local physicians report an unusually small amount of sickness in Royal Oak and vicinity.

Royal Oak's ex-terrible fuss seems to have come to a close. Mr. Moon is now employed working and passing through the village, and our town is also receiving many inquiries of food. Many strangers are attracted doubtless by the sugar beet harvest.

Frank Campbell has several acres of potatoes on exhibition at Elton Moon's store. They are a fine sample of the crop which is being gathered in this vicinity.
