THE BIRMINGHAM ECCENTRIC

ONE DOLLAR PER YEAR IN ADVANCE
WHITEHEAD & MITCHELL, PUBS.

BIRMINGHAM, FRIDAY, NOV. 8.

To Our Friends.

When trading with any of our advertisers either in Birmingham, Pontiac or Detroit, it will be a great favor to us if you will mention the fact that you noticed their advertisement in our paper. A word from you at the time of trading, costs you nothing and benefits us greatly. Will you be good and do so?

THE BIRMINGHAM ECCENTRIC.

HOME NOTES.

Czolgosz.

The scene is closed!
If there's a hell for fiends to reach
Another coward's piercing screech
Is ringing there
Or, if but nothingness is where
We picture wastes o'er which the lost
Must wander weary and outcast,
If death is, after all, the last,
Still he has met defeat!
He may not hear a living fool repeat
The story of his shame exultingly
Remorse is his, or else he lies today
A rotting mass, dumb to the glee
Within the festering breasts of his foul kind. Away
With what the magnets wait in vain to claim
He has paid us all he can of his great debt,
Now let the world forget
His [illegible] name.

—Chicago Record-Herald.

Mrs. Betsey Shain has moved into the rooms vacated by Mrs. M. I. Noble, who moved into the house with Mrs. Elizabeth Randall, on Brown street, where all are comfortably settled for the coming cold weather.

Newton [illegible] of Detroit visited his uncle, James Marble, last week.

House on Brown st. for rent. Inquire of C. W. Bruce, Birmingham, Mich.

W. Davidson of Commerce spent last week with his sister, Mrs. John Sharp.

Mrs. Bush spent Sunday in Detroit, the guest of her sister, Mrs. Evans.

White Cross Eczema and Dandruff Cure is sold by Whitehead & Mitchell.

Last week John Hanna sold his slaughter house property to David [illegible] for $[illegible].

Mrs. L. P. Fredericks of Detroit was visiting old friends in town one day last week.

Chas. E. Shain spent Sunday at Davisburg. Had a good time and nearly froze to death.

White Cross Dandruff Cure is becoming very popular. Sold by Whitehead & Mitchell.

This week L. E. Peabody sold his store and contents to John Hanna for $4,500, cash.

Mrs. Mary Adams of Ann Arbor, sister of Mrs. J. W. Perry, has been visiting in town a few days.

The W. H. M. society of the M. E. church will meet in the church parlors Thursday, Nov. 14.

Geo. Ford, now of Grand Rapids, said "How do you do?" to many old friends Wednesday of this week.

Mrs. Emerson and daughter of Ypsilanti spent Saturday and Sunday with her sister Miss Flower.

Frank Ash of Birmingham and Messrs. Freer and McPherson of Detroit spent last Friday at Howell.

Mr. and Mrs. A. L. Mallett of Utica and Miss Chapston were guests of Miss Esther Chapman last week.

Mrs. Abe Hattis has just returned from visiting friends and relatives at Midland, Bay City and Saginaw.

Mike Leow, the well known Pontiac saloonist, formerly of Milford, has been taken to the Dearborn retreat, as he showed marked signs of insanity.

One of our drug stores received the following order recently and filled it satisfactorily: "Five cents' worth of bucan and five cents' worth of usiverse."

[illegible]

Having bought the L. E. Peabody stock, which consists of a great many good and serviceable articles, I will close out the entire stock at very low prices for cash only.

Mr. and Mrs. Joseph Farmer, who moved to Birmingham from Royal Oak two weeks ago intending to buy a place here, will make their home with her mother, Mrs. Geo. Taylor.

Whitehead & Mitchell have a new and fine stock of Kermott's Chocolates, the real thing to cure a cold in one day. If you are a sufferer be sure to specify Kermott's Chocolate Laxative Quinine.

When you hear a man or woman make the statement, "I wish I had never been born," it is probable that others regret it also. There is not much earthly or heavenly use for the individual who feels like that.

The ladies of the Presbyterian church invite you to a fine evening's entertainment at their church next Wednesday evening, Nov. 13. Readings, songs, vocal and instrumental music. Admission very low.

Hunting quail, partridge, etc., and will stay until deer hunting begins, away up in Ogemaw county, are Ed. Daines, Dr. L. E. Baldock and Lewis Randall. We hope the gentlemen will have a good time, not get hurt and return all right.

Martin Blunt will sell for Frank Bowman, on the premises, one-half mile east of Clawson and three miles north of Royal Oak, on Tuesday, Nov. 1[illegible], at one o'clock, cows, horses, [illegible], farm implements, [illegible]. For terms see large bills.

[illegible] Mr. Wm. Crary proves the assertion. He is now night foreman at the power house in this place for the D. U. Ry. A good situation, and one Mr. Wilcox can fill agreeably and to the great satisfaction of everybody.

Mrs. W. Campbell of Royal Oak, mother of Dr. Campbell of this place, has been nearly blind for a year past from a cataract. On Wednesday of last week the Doctor took her to Harper Hospital, where she was operated upon successfully by Dr. Frothingham.

Last Monday evening while visiting with her daughter, Mrs. G. C. Hopper, on Woodward avenue, Mrs. [illegible] fell from the back door step and broke her left arm. Dr. [illegible] M. Raynale reduced the fracture and the good lady is improving as fast as her many friends can expect.

The following list of books by Henty, just added to the library, will surely find favor with our boy readers, and many an older reader will enjoy them as well: "St. George for England," "Friends Though Divided," "Young Carthagenians," "The Lion of the North," "With Lee In Virginia."

A party of gentlemen, consisting of John Rainey, George and Jack Purdy, Webster Bray, Will Adams, George Bingham, John Beddow, Mason Leonard, Rush Haskins and Will Lakie, left Wednesday last for Newberry for a two weeks' hunt. They expect to bring back all the deer in the Upper Peninsula.

Less than two months remain of this eventful first year of the twentieth century. The year will doubtless be one of the most memorable of the century by reason of the death of the chief executives of the two leading nations of the world—Her Majesty, Queen Victoria, and His Excellency, William McKinley.

There are many times when it is necessary to have various kinds of writing done in transferring property, making contracts, leases, agreements, deeds, mortgages, wills and numberless other matters which are little expense but sometimes of vast importance. The Exchange Bank has special accommodations for this sort of work. Thirty years' experience means something.

The business man whose advertisement seldom, if ever, appears in the local newspaper is the one who whines the most about people sending away [illegible]

[illegible] States to learn something of American manufactures, while visiting in Detroit last week was called upon by Dr. Campbell of this place. The two physicians were college friends and classmates, and to say that they were highly pleased to meet after 21 years is putting it lightly.

On Sunday evening next Rev. H. S. Justema begins a series of addresses that would seemingly appeal to all people. Under the general title of "Phases of Our Lord's Life," we find such subjects as "Jesus as a Laborer," Jesus in Social Life," "Jesus and the State," themes of vital interest today. We venture to say this series will be of more than ordinary interest and will abundantly repay the listener.

The undersigned will sell at public auction on the premises, one mile north and two and one-half miles east of Birmingham and two miles west of Big Beaver, on Wednesday, Nov. 13, at 10 a. m. sharp, a large amount of farm stock, agricultural implements, etc. There will be sold eleven cows, wagons, buggy, harnesses, plows, cultivators, mowing machine, eleven acres of drilled corn and other articles too numerous to mention. Free lunch at noon. Miles A. Dewey, proprietor, M. H. Blunt, auctioneer.

The Joseph Sikora farm, two and one-half miles east of Royal Oak and one-half mile west of the county line will be sold at auction on Tuesday, Nov. 12, at 1 o'clock, p. m. The farm, containing 80 acres, will be sold by parcel or all together, to suit purchaser or purchasers. On this farm is a large frame house, two large barns and plenty of water. Terms of sale are one-half cash, and balance on time to suit purchaser at five per cent. interest. Joseph Sikora, proprietor, M. H. Blunt, auctioneer.

The Detroit United Railway (D. U. R.) [illegible] has done the right thing at this thing by appointing Wm. L. McClelland their freight and express agent. Will is a genial, all-around good fellow, and this move will obviate all the objections that have been made because of freight left around the streets. At his warehouse freight can be left for shipping and all freight for Birmingham parties will be found at Will's store, and hereafter all kicks in the freight department must be filed with W. L. McClelland, Express Agent, D. U. Ry.

A Pontiac man who believes in the old saying, "See a pin and pick it up and all the day you'll have good luck," saw a pin in front of the postoffice Wednesday evening. Bending over to get it his hat tumbled off and he rolled over on to the pavement, his eye glasses fell off and broke on the sidewalk, his suspenders gave way behind, he burst the button-hole in his shirt, and all but lost his set of false teeth. He took a stitch in his side that cost him $5 to get rid of, and tobacco juice flew out of his mouth and into his eyes, but he got the pin.—Pontiac Democrat.

The women's clubs of Lansing are making preparation through their city federation to petition the city government to pass a law forbidding expectorating on the sidewalks. Some members of our village club are thinking of bringing this matter before their club, and if it meets the approval of that body, of bringing it before the village board. Surely they would have the help of our health officer and of all of our physicians; and if club women, village board, physicians and health officer could bring about this reform, surely every woman in town will rise up and call them blessed.

About the ever interesting stories of real children, one of our townsladies was teaching a S. S. class of small boys on the subject of the "healing of the paralytic." After discoursing on the nature of paralysis she asked the class what dreadful disease, similar in its effects, people were now afflicted with, expecting to elicit the answer, "sin," when one little fellow piped up, "Erysipelas!" Another youngster that we wot of, not a thousand miles from Birmingham, after listening to the story of Jonah and the whale, by his maternal grandmother, [illegible]

[illegible]

[illegible] until they had reached an advanced age. One of our townsladies, who is still young in years but who wears the inevitable glasses of this generation, was erstwhile interviewed by an aged gentlemen who wanted to know if she was "over fifty." She replied with perfect gravity that she was "a few days under that age," when he responded with considerable complacency that he "didn't put on glasses until he was fifty."

ADVERTISED LETTERS.

The following is a list of letters remaining unclaimed in the postoffice in Birmingham, Mich., for the week ending November 2, 1901:

Allan Cameron, Thornton Urquhart.

Persons calling for the above will please say "advertised."

JOHN HANNA, P. M.

Jumped On a Ten-Penny Nail.

The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten-penny nails and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an antiseptic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by Whitehead & Mitchell.

For Sale.

For the next ten days I offer for sale the following birds: White Rocks, Barred Rocks, Buff Rocks and Light Brahmas.

GEO. W. FAY.

That Throbbing Headache

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25c. Money back if not cured. Sold by Whitehead & Mitchell, druggists.

Truth doesn't seem to be stuck on lying at the bottom of a Texas oil well.

The [illegible] boy isn't much of a goer, but he holds the record as a stayer.

A woman's prematurely gray hair is often the result of marrying a man to reform him.

It's difficult to love thy neighbor as thyself if the aforesaid neighbor has a mania for borrowing things.

Some men are considered narrow-minded because they make a specialty of minding their own business.

By the time a woman succeeds in mastering her vanity the chances are that her great grandchildren have inherited it.

CLOTHES TO SUIT LOOKS.

Brown eyes and a brown dress go well together.

The [illegible] are not often suitable for slim figures.

Black satin intensifies the effect of round shoulders.

Blue eyed girls should wear blue as often as possible.

A small toque is excessively unbecoming above a large round face.

The color of the eyes should determine the choice of the dress and millinery.

Dull black is the best choice for a fair-haired woman, while a brunette must order something brilliantly [illegible] if she really wishes to look her best.

A blonde may wear pure white with advantage, but a brunette nearly always looks better in cream colored fabrics. This ought to be more generally recognized.

Two widows of presidents now receive pensions voted by Congress. They are Mrs. Grant and Mrs. Garfield and the amount to each is $5,000 a year.

It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for Indigestion or Billiousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at Whitehead & Mitchell's.
