CHRISTMAS GIFTS

Again we are at the threshold of Christmas time--the season of universal giving and receiving, the time for that wonderful bringer of pleasing surprises; mysterious, generous, lovable old Santa Claus, whose very name thrills the young with gladsome anticipation and the older ones with emotions that are sacred in their recollections. But Christmas time with all its pleasures brings its perplexities. Most people know how much they can spend for presents and who they intend to remember, but what to get--that's the question!

A visit to Partridge & Walsh's Majestic Building Store, Detroit with its many departments, will result in a happy solution of the problem.

Here is, without question, Michigan's Greatest Holiday Shopping Store, the magnificent stocks of bright, new merchandise affording almost limitless selections in appropriate gifts for Men, Women and Children. An immense variety of practical, useful and sensible presents in the way of Wearing Apparel and Household Furnishings. Beautiful Novelties designed especially for Holiday remembrances--Toys, Dolls and Books--Christmas Candles, etc. In short, the largest and most comprehensive assortment of Holiday Goods ever gathered under one roof.

The opportunity thus offered you to do all your Holiday shopping in one place will save you time, time, discomfort and anxiety. It is an important fact that our prices make it possible for you to buy better presents or more of them than can be purchased at any other store for the same money.

Nothing will be left undone that will add to the comfort and convenience of our customers and facilitate store service during the Holiday rush. A big cheerful store, handsy to get around in with its wide aisles, easy stairways and prompt elevators. So while it will be busiest here there will be no confusion, discomfort or disappointment.

"Pleasant, courteous attention to everybody" heads the list of rules issued to our employees.

You're invited to enjoy the grandeur of our Holiday display whether you wish to purchase or not.
