

**HELP FOR WOMEN WHO ARE ALWAYS TIRED.**

"I do not feel very well, I am so tired all the time. I do not know what is the matter with me."  
You hear these words every day; as often as you meet your friends just as often are these words repeated. More than likely you speak the same significant words over and over. Do not doubt you feel far from well most of the time. Mrs. Ella Lore, of Chicago, Wis., whose portrait we publish, writes that she suffered for two years with bearing-down pains, headache, backache, and all kinds of miserable feelings. Her stomach was caused by indigestion and inflammation of the womb, and after doctoring with physicians and numerous medicines she was entirely cured by

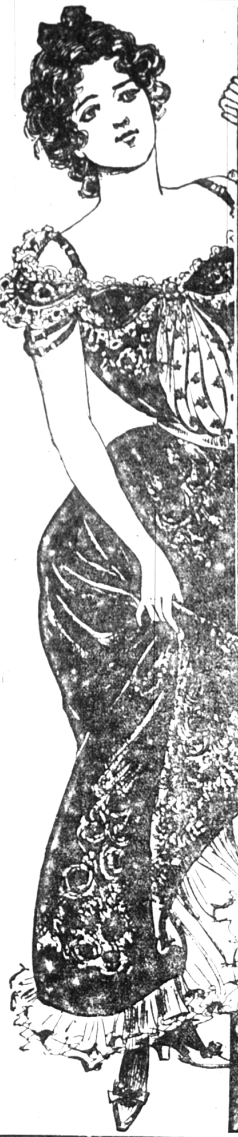

Dr. Greene's Nervura Blood and Nerve Remedy. It is a fact that many women who suffer from these ailments find relief in Dr. Greene's Nervura. The medicine is gentle and effective, restoring health and vitality. It is highly recommended for women who feel tired and unwell.

**What Is Courage?**

**Scout's Illustration of His Highest Form.**

Some years ago at Fort Pitt, Indiana, there was a government scout whose name was Thomson. He was a brave and noble man. He was killed in action during the war. His story is a true one and his death was a heroic one. He was a man of courage and his actions were a great inspiration to all who knew him. His death was a great loss to the country and his memory is still honored.

**"Man is as old as he feels, and Woman as old as she looks."**

**Dr. Greene's Nervura Makes Health and Beauty for Women.**

**Remember! Not Age, but Disease, Weakness and Ill Health Make Women Look Old!**

You cannot look your best unless you feel your best. That is, unless you feel well, strong, vigorous, and your bowels, stomach and all steady nerves. If you have no appetite, poor digestion, are bilious and constipated, your skin will be dark, sallow, pimply, with unhealthy patches. If you are nervous, nervous, irritable, dependent, with nerves all on edge, feel as if you could fly, and are startled at every sound, these nervous troubles will certainly ruin your face with wrinkles, like age, make you look haggard, hollow-eyed, take the lustre from your eyes, and the elastic spring from your step. If you suffer from female troubles, the dragging pain, the aching head, the tired limbs, the utter weakness, prostration and misery will turn youth to old age unless cured at once.

**Beauty Means Good Health, and Good Health Always Means Beauty for Women.**

It will give a rounded form, the grace and elasticity of youth, and the elastic spring from your step. It will keep you from getting old, and will keep you from getting old. It is a veritable fountain of youth, for fact, fact and eloquent women.
