

"Don't Speak to me."

All manner of extravagant expressions are possible when a woman's nerves are overwrought. The spasms at the top of the wind pipe or bronchial tubes, "hail firing in the throat," violent beating of the heart, laughing and crying by turns, muscular spasms (the so-called "hysterical" fits), followed by the most incoherent occurrences, are all symptoms of a hysterical condition and serious danger to the health of the patient.

It is a common complaint among nervous hysterics, which must be regarded as a symptom only. The cause, however, yields quickly to Lydia E. Pinkham's Vegetable Compound, which acts at once upon the organ afflicted and the nervous centers, dispelling effectually all those distressing symptoms.

Mrs. Lewis Says: "I Feel Like a New Person, Physically and Mentally."

"I had Mrs. Pinkham's Vegetable Compound sent me and suffered every thing from nervousness, nervous headache, and pain in back and chest. I had consulted different physicians, but they could not help me, and I soon found it was getting much worse. I continued to use Mrs. Pinkham's Vegetable Compound until I was physically and mentally well, and was glad to add one more testimonial to the efficacy of your remedy."

Mrs. Haven's First Letter to Mrs. Pinkham.

"DEAR MRS. PINKHAM:—I would like your advice in regard to my troubles. I suffer every month at time of menstruation, and flow so much and for so long that I become very weak, also get very dizzy. I am troubled with a discharge before and after menses. I have pains in ovaries had some times that I can hardly get around. I have some feeling in lower part of low in back, feeling as if a stone is there. I have some frequent fainting spells with pains in my head. I have nervousness, headache, fainting spells, and some times have hysteria. My friends are not in good condition. I have to look for my own life." Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa (June 3, 1905).

Mrs. Haven's Second Letter.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for what your medicine has done for me. I suffered for four years with much trouble. Every month I have been having a discharge that would hardly do my work. Was obliged to sit or lie down most of the time. I worked for a long time, but obtained no relief. I began using your medicine, Lydia E. Pinkham's Vegetable Compound, and after a few days I began to feel better. I have had no more of the trouble, and now feel like a new woman." Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa (Feb. 1, 1906).

Friendship and a Song of Two.

It was a beautiful day, and the sun was shining brightly. The birds were singing, and the flowers were blooming. The children were playing, and the old people were sitting on the benches. It was a day of peace and harmony, and it was a day of friendship and love.
