STATE FAIR AT PONTIAC

Secured Through the Untrusting Efforts of Hon. Daniel L. Davis, of that City.

Several other Cities Worked Hard to Secure the Prize but Facts not Theoretically Corrected the Day. Much Work was Done to Make the Fair this Year a Record Breaker.

The largest fair in Oakland County, Michigan, the Pontiac State Fair, which secured the Pontiac and Oakland County State Fair, which last week was secured by the directors to come to Pontiac, for at least two years. It was a big move to make, but nothing follows the natural course of the State Fair of the State of Michigan, as Mr. Howard and others, that they came to Pontiac and secured the fair. The fair was held with State Fair Association that it was left to them and they did not secure the fair. It was secured by Mr. Davis, who secured the fair by using W. W. Collier of Pontiac as a go-between, who was undoubtedly helped.

The fair was held at Pontiac, Michigan, and was a great success. The fair was held at Pontiac, Michigan, and was a great success. The fair was held at Pontiac, Michigan, and was a great success. The fair was held at Pontiac, Michigan, and was a great success.

TO OUR READERS.

Vol. 2 No. 1. Those are the figures on our first page this week and we realize that another year has been added to the age of THE ECCENTRIC. The past year has been a prosperous one for this periodical and we trust our readers are well pleased with the paper we have given them a bright, clean, mass paper, one that each member of the family could enjoy. We will endeavor in the year to come to keep the paper up to the present standard and while we wish we could give you more, we will do our best to make it interesting, there are two or three things we would like to ask you have often asked if before it was known of anything that would be of interest to you, we would like to know of it. We wish to thank our correspondents for the good work done by them during the past year. The local paper has done much for the State Fair, and we wish to thank the laborers who have done so much for the fair. We wish to thank the laborers who have done so much for the fair.
