## Look Out for Them.

Chief William of the sewer service, has received a number of bank notes purloined from the original dates used in the State Bank of New Brunswick, N. J., over 20 years ago. The bank notes were destroyed. It seems that the plates have fallen into the hands of some party who has printed from them large quantities of notes which have been put into circulation from New York City, New York. A very large percentage of these notes have been discovered as false, although some have not been discovered. It is thought that the Secretary of these notes are in circulation.
