STEAMER WRECKED.

The Steamer Lufkin from Liverpool, June 18, for Montreal, having 500 passengers on board, was wrecked on Tuesday night off Cape Barré, on the coast of Newfoundland, about 30 miles south of the city.

The Lufkin was bound round Cape Race for Montreal, with a large cargo and a ship load of passengers. She mistook her course in a dense fog and went ashore.

The passengers, who are mostly emigrants, were panic-stricken. They stampeded and fought for the boats, but were overcome by the officers and crew, who retained control after great trouble and a prolonged struggle with the rougher elements of the passengers, who used knives.

As it interferes with the nutrition of the testicles, it produces emaciation, loss of energy through the impotence, loss of vitality, and a host of other troubles. It is a disease that is often overlooked, and a cure is often sought in vain. The only reliable cure is the New Method Treatment of Varicocele and Stricture.
