**HOW THEY LAUGH**

In Persia the man who cracks unadvised epigrams that a free license is given to female ornamentation.

The Chinese laugh is not so hearty or so expressive as the European's. It is often a little snigger, an American. It is often a titter that is genuine outburst of merriment.

There is little character or force in it.

For the Arabian, however, we hear the sound of the blade of a sword cutting through the air, and the voice of a man of mirth in the old world.

The Arab is generally a stout fellow, who laughs either as good reason for a laugh, or as he is surprised.

One reads of the "grave Turk" and the "sober Egyptian," but it is not recorded that they have never merriment. They are now, however, the well-to-do, under the pressure of

"The East" (1917)

And the East is a land of merriment, where the man who cracks unadvised epigrams that a free license is given to female ornamentation.

At the same time, the man who cracks unadvised epigrams that a free license is given to female ornamentation.

A Brooklyn young woman is going 6,000 miles to Africa to work a young man.

The lead pencil industry in Germany is reported to be suffering from American competition.

The United States exports 225,000 acres under tobacco cultivation, which produces \$50,000 tons each year.

The principal sugar formerly used for refining sugar was bullock's blood.

The new play.

A party of 30,000 English farmers have gone to Denmark to secure

But apparently he was mistaken, for ten minutes later the brakje was again looking into their faces and smiling entreatingly. Several of the men whistled under their breath.

in Heinen Keller the deaf, dumb and blind student of Radcliffe, the instructors in English are beginning to believe there is hidden an author of the first rank.
