**Going South?**  
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Lappendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system, and stop fermentation of undigested food, regulate the action of the liver, stimulate the system, and that is all you need when feeling dull and full with headaches and other aches. A very good remedy of Greece's August Flower, in liquid form, to make it more readily absorbed, is a soothing remedy for the matter with sample bottles at Whitehead & Mitchell's.

Buffalo House, Buffalo, Sept 12. At 11:30 Dr. Rives left the residence and drove away in Dr. Munton's buggy. He said that all was progressing favorably. He returned in less than ten minutes and said he had only gone out for a breath of air. The president's condition is such that it is possible to remove him to Washington, if it is deemed necessary. The president's recovery is assured.
