Birmingham's New School Building Will Be Erected.

At Least that Is the Prospect at Present--School Meeting Monday Night Decided Location, Annex or Separate Building on Present Site--Officers Elected.

The regular annual meeting of school district No. 1 fractional of the Township of Bloomfield, Iron Southfield and Royal Oak, was held Monday evening of the school house in this place. About 40 persons were in attendance.

The meeting was called to order by Albert Adams, after which the election of the board officers was conducted. Those elected were: Director, Albert Adams; treasurer, Wm. Bowers; secretary, Chas. Bennett. The old board officers were re-elected.

The meeting was then addressed by Supt. Schaefer, who explained the object of the meeting, which was to decide whether to build an addition to the present building or to build a new building on the present site, or to build a new building on a new site. He explained that the present building was not large enough to accommodate the pupils, and that it would be necessary to do something at once. He also explained that the present building was not in a sanitary condition, and that it would be necessary to put in a heating plant and improve the ventilation. He also explained that the present building was not in a safe condition, and that it would be necessary to put in a new foundation. He also explained that the present building was not in a safe condition, and that it would be necessary to put in a new foundation. [illegible] Bennett moved that the present building be repaired and improved. Supported by Wm. Bowers. Carried.
