Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.**Scott's Emulsion**  
OF  
COD LIVER OIL  
WITH HYPOPHOSPHITES & LIME & SODA**will generally correct this difficulty.**  
If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.**PROTESTANT EPISCOPAL**—Rev. Mr. Watson, Pastor.
