Staffordshire Houses.
The fancy for Staffordshire houses still continues, and ladies have taken to lighting up their drawing rooms with them. They put a tiny lamp inside, so that the light shall show through the windows of the diminutive house or castle. These houses were first made for candiesticks, and later on were chiefly used as pattle burners in the days when people thought I unheality to ventilate a sick room.

Dressmaker Has Right idea.

A dressmaker at the Chicago convention complains bitterly that in her first year of business she accumulated \$1,200 worth of uncollectable accuutts. "No matter how beautiful the gown we can make "feet".
