BIG BEAVER.

L. L. Houghton spent Wednesday in Detroit.

A reunion of the Schultz family last Sunday at the parental home.

Mrs. Ellis Houghton, who has been seriously ill for some time, is slowly recovering.

Miss Alma Sullivan of Toledo has been visiting her grandfather, Wm. F. Sullivan, at the home of her mother, Mrs. Wm. F. Sullivan, in Detroit.

Our quiet little town did not get undisturbed hallooed night, the boys played some hellacious pranks on our good citizens.

W. B. Newman was taken ill while visiting friends in Pontiac but was able to be removed to his home Monday.

Miss Carrie Bingham attended the Monroe County S. S. convention held at Monroe last Thursday. She presented two of the departments on the program.

Miss Isabella Houghton had the misfortune to step on a rusty nail. It is thought that no harm will come of it except a few days of lameness.

A good number of our people went over to Troy Monday evening to hear Dr. Stewart, preaching editor of the Saginaw district, preach and afterward conduct quarterly conference.

The "Ideal" entertainment was a success in every way. For many successive years this company has appeared before our people and always draw a full house.

CLAWSON.

John Robinson has built a new barn.

Mrs. James Pearson visited at H. J. Bowers' Sunday.

Stephen Newman has bought a new house in Birmingham.

Ell Phillips has bought and put up a new wind mill.

Mr. and Mrs. Heely of Plainville visited at H. J. Bowers' last week.

Mr. and Mrs. Cassius Carter and mother of Birmingham visited at O. A. Hunt's last Sunday.

Mrs. Julia Carter of Detroit and Mrs. Cobb and son of Clarkston were visitors at Mrs. Plavin Hunt's last week.

Starting but True.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Danbury, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver troubles. Sold at Whitehead & Mitchell's and Cobb & Cobb's.

LOG CABIN PHILIPPIAN.

De long lane is sho' ter turn 'em, but we'n it do, it moos' ingratify make de wagon turn a somersault. Day ain't no marryin', or givin' in marriage, in heaven; en' i reckon day's w'y it's said ter be sich a peaceful place.

Trouble don't last forever, but it makes folks hop lak dey never had de rheumatism whilst it is keepin' company wid 'em. De cow kick de milk over kase sho ain't got no sense; en folks ain't run on 'ery 'bout it kase dey in de same fix ez de cow.

Control your temper for the sake of your health and goodness. If for no higher reason, say the beauty doctor. Remember at all times that the great secret of keeping cool is to cultivate contentment and an evenly balanced mind.

A smouldering fire is far more dangerous to health than that which comes to the surface and is quickly extinguished.

A disposition which continually "boils" within often leads outward expression in boils and ulcers, says the beauty doctor.

MANY WOMEN.

Make assertions without regard to truth or effect.

Discuss men from a point of view bearing on their attire.

Show a mercenary spirit in the most ordinary transactions.

Steady human nature in a way that shows a narrowness of mind.

Are as clumsy as men in the performance of household duties.

Appreciate a bunch of flowers more highly than a gift of jewelry.

Create an unfavorable impression by too much selfassertiveness.

Want a husband to feel that there is no time he can call his own.

Write letters to men which are models of composition and sense.

Destroy their complexion by the use of cosmetics intended to preserve it.

De tiredest people in de world is dem dat takes de most ease—Sun.

The thing I did not pay for I found most expensive—The World's People.

The fool's ear was made for the knave's tongue—Ramaswami's Indian Fables.

Duty is what we think about when ill, or are reminded of by creditors—Davidson's Human.

We ever profit by truth, and if ever we cease to lose it, it is but the earnest of greater gain—Ramaswami's Indian Fables.

COMPARISONS.

Wisdom is to the mind as health is to the body.

Grace is to the body as good sense is to the mind.

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair.

Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

MAN OR HIS SHOES—WHICH?

A TRIANE.

How much a man is like his shoes. For instance, both a soul may lose. Both have been tanned, both are made tight. Both must be kept wet, both get left and right. Both need a mate to be complete.

And both are made to go on feet. They both need healing; if it is sold, And both in time will turn to mud; With shoes the last is first; with men The first shall be the last and when The shoes wear out they're mended new; When men wear out they're mended too. They both are tread upon, and both Will tread on others nothing but. Both have their ties and both incline, When polished in the world to shine. And both get out and some get in.

Patience is a virtue found chiefly in lazy people.

Most aristocrats are the victims of inverted heresies.

Consistency is a jewel that is often swapped for success.

Worry is the interest mankind pays on the debt of nature.

It is better to be a beggar than to be a miser.

Women are not very thick with them. They can see through each other.

Some men are as ready to do an injury as they are to apologize for it.

It doesn't matter if a woman isn't pretty if she doesn't know she is ugly.

What a pity it is that a law preventing the birth of fools is impracticable.

Fame is but a bubble. The laurel wreath is less strenuous than a barrel hoop.

Ambition never grows old; in fact it seldom gets beyond the age of infirmity.

Paradoical though it may seem, the right end of a check to indorse is the left end.

Did it ever occur to you that the average man's intelligence is below the average?

A man usually has to go after things several times before they begin to come his way.

Any woman who admits that her shoes are too tight is seldom inclined to be masculine.

Nothing pleases a spinster when she has occasion to stop at a hotel like being assigned to "room 16."

Money that a man doesn't save by retaining a bachelor would probably support a wife and ten children.

When the receipts of a church far are less than the expenses there is something wrong with the female attractions—Chicago Daily News.

CADILLAC MINING COMPANY

Gold, Silver, Copper and Lead

Capital 2,000,000 Shares, Par Value \$1 Each,
Full-Paid and Forever Non-Assessable

The OWNERS
Company 7
CLAIMS

comprising 140 acres, one mile from Crown
King, T. O. Yavapai County, Arizona,
which will be the terminus of the P. &
E. R. R. by January, 1903. There are
over three miles of large tract surface
rights on this property with rich crops in many places on each vein.

Development work is being pushed as rapidly as possible in a shaft
which is now 110 feet deep and in a drift that will be in 200 feet by October
1st. One of high values was struck in the shaft 15 feet below the surface
and continued the whole way down, averaging 30 inches wide. The vein
struck at 25 feet from the shaft in the drift which at 60 feet was over
12 feet wide, and at 80 feet averaged \$50 gold, \$30 silver and 60 per cent
copper per ton.

Now assays from various points in this ore shows values averaging
\$20.50 gold, \$2.68 silver per ton, besides about 4 per cent
copper and 8 per cent lead.

A 20 stamp mill on such ore would earn 25 per cent
profit on our entire capital.

The ore in this district always grows richer and stronger,
with depth. Milling men say this will.

For the pushing of development work a small block of stock is offered
at
15 cents per Share, Cash, or 16 cents in Monthly Payments

1-6 cash with order, balance in 5 equal payments.
DON'T DELAY. Price will soon be advanced.
